

Terms and Conditions:

The Scholarship will cover direct training costs. Travel expenses to and from the Herefordshire Aero Club will be the responsibility of the Scholarship winner.

- You must be aged 17 - 24 on 1st April, 2024
- Height and Weight restrictions may apply
- You must be available to undertake and complete the scholarship during August 2024
- The scholarship will be subject to a successful flight aptitude test. In the event the required standard is not met, the scholarship will not be offered to the candidate
- All flight training will be undertaken in a Cessna 152
- If a Scholarship is awarded, our Head of Training will review all training progress throughout the course and reserves the right to withdraw funding and cease sponsorship at any stage if, in its sole discretion, it considers that satisfactory progress is not being demonstrated. The review will encompass assessment of the student's commitment and timely completion of the stages of expected progress.

Candidates who are short-listed for consideration for the scholarship are required to attend in person an interview at Shobdon Airfield. Travel expenses are the responsibility of the candidate.

Please note: All applications received are acknowledged by email. If you do not receive an acknowledgement by email, you should assume that your application has not been received and should resubmit your application. You are, of course, welcome to telephone Herefordshire Aero Club to check. Applications not meeting any of the requirements above will be disregarded.
